

Freedom - Christy Hoagland

Verse 1

Do you long to be free?
Free from all your mistakes?
Shame and regret, your mind can't forget
The cost of the prison you've made

Verse 2

You're not too far away
From His saving grace
No sentence too long, your past or your wrongs
Can cancel the price that's been paid

Chorus 1

Freedom
This freedom can be yours
Freedom from sin, free to begin
A new life given through Him

Verse 3

He will give you His peace
And He will make you new
Give Him your fears, your doubt and your tears
His mercy includes you

Verse 4

Oh there's no other way
Lay down your guilt, your pain
The weight of your crime, is equal to mine
Just call on His Name

Chorus 2

Freedom
Christ-given freedom
Come and believe, Jesus receive
And you will be free
