

# I Marvel

Words and Music by Christy Hoagland

## Verse 1

The cross of calvary, You bore for me  
You saved me from myself, from the enemy  
You willingly took my place, You suffered, died, in disgrace  
And through Your grace and mercy, You set me free

## Chorus

And I marvel, at Your sacrifice  
I'm filled with wonder, why You'd give Your life  
For me, this sinner, why You bled and died  
Your great love for me, I'm still amazed by  
It astonishes me

## Verse 2

To understand the cross of Christ, no one will know  
God wrapped in flesh, crucified, the debt we owe  
Precious Savior, Only Son, Almighty King, the Holy One  
Died and rose again to give us hope

## Chorus 2

And I marvel, at Your sacrifice  
I'm filled with wonder, why You'd give Your life  
For me, this sinner, why You bled and died  
Your great love for me, I'm still amazed by  
It astonishes me  
How You saved me, how You changed me  
A mystery  
How You love me, how you keep me

## Verse 3

Life was given in Your glorious victory  
My guilt and shame, washed away in misery  
You conquered darkness and the grave  
What an awesome price You paid  
And in You, Risen Lord, gave me eternity!
