

There is Hope

By Christy Hoagland

Verse 1

Waiting in the sorrows
In the lowly depths of sin
Chastised, broken, lonely
Will this never end?

Verse 2

Nothing left to offer
Wondering how to live
Reaching for the Savior
Trusting He forgives

Chorus

There is Hope
Lift Your voice
Sing His praise
O rejoice!
Call on His Name
He'll light the way
The Gospel proclaims
There is hope
(There is hope)

Verse 3

Gaining sweet salvation
His Spirit and this faith
Living in His promise
Until that coming day

Bridge

You are forgiven, You've been set free
His grace and mercy for all who believe
Great expectation, awaiting in peace
No longer needy, a child of the King
